Dear Sir/Madam,

We are proud to present our comprehensive range of artistic graphic solutions under the brand "Birds Speech". Our collection of artworks, created under the guidance of the renowned artist Mehdija Suljević, offers a wide range of applications in various industries worldwide.

Our design drawings can serve as primary or complementary solutions for manufacturers and companies in all industrial sectors. With over 10,000 ready-made graphic designs, our solutions can be applied in:

1. Architecture and construction - interior and exterior: Our art can transform space and add unique aesthetics, whether it's interior design or exterior architecture.
2. Jewelry design: Our graphic drawings can inspire the creation of unique jewelry pieces, attracting the attention of all luxury and elegance enthusiasts.
3. Design in all materials: Our designs provide unlimited possibilities for application and production of various household items, turning them into masterpieces. (wood, ceramics, marble, stone, metal, precious metals, glass, textiles, and plastics)
4. Textile design: Our design solutions perfectly fit into the production of upholstery fabrics, tapestries, hotel partitions, and luxurious carpets, offering clients irresistible aesthetics and quality.
5. Fashion design: Our artistic design drawings can inspire the creation of unique fashion pieces, placing fashion designers at the forefront of industry trends. Our artistic graphics can transform fabrics and clothing into true works of art.
6. Perfume design: Our artistic graphics can shape distinctive visuals for perfume bottles and packaging, emphasizing the sophistication and elegance of your fragrance creations. Our designs bring a unique visual identity to your perfumes and packaging, highlighting your brand in the market.
7. Packaging design in the food industry: Our artistic solutions can add aesthetics and functionality to packaging, highlighting your brand in the market. Our designs can transform standard packaging into masterpieces and delight customers.
8. Sculptures: Our design drawings can serve as inspiration for handcrafted or machined sculptures, bringing artistic spirit to any environment. Your sculptures can be impressive, socially significant masterpieces in all your interiors or exteriors.

This wide range of applications makes our offer indispensable for every manufacturer and company striving for originality and quality in their work.

Warm regards,

Biography

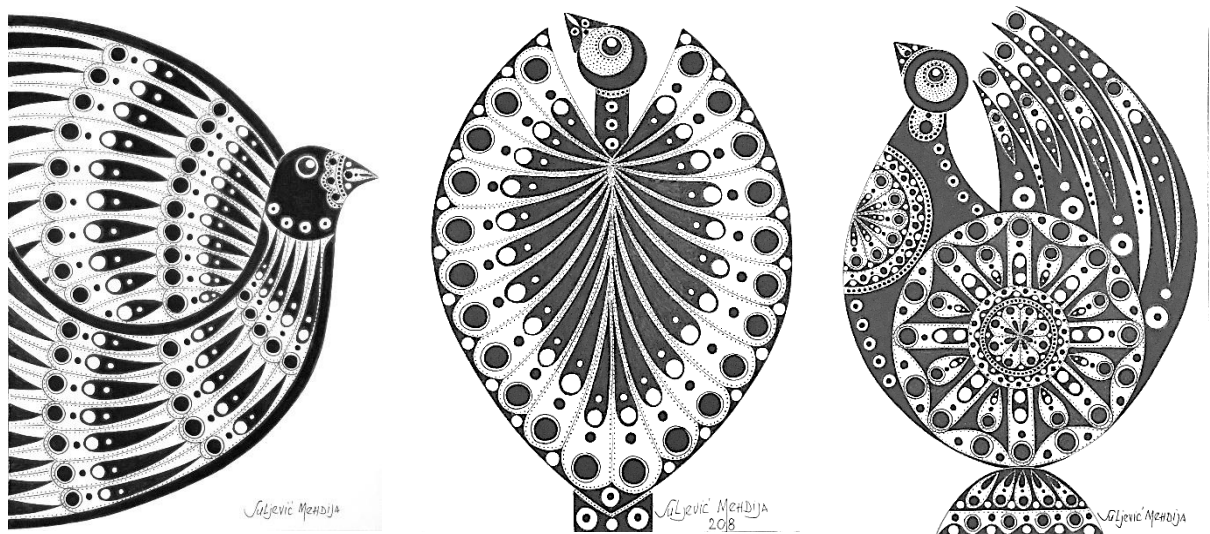

Mehdija Suljević, born on July 20, 1957, in Prijepolje, is a prominent global artist with over 10,000 artistic drawings under the renowned brand "Birds Speech".

From an early age, he displayed exceptional talent for art, supported by his family, which directed him towards serious artistic education. After completing high school, he enrolled in the Academy of Fine Arts, where he quickly became noticeable for his creativity and dedication to art. During his studies, he explored different styles and techniques, developing a distinctive expressive language based on symbolism and spiritual depth. Mehdija drew inspiration from the study of world cultures and symbols, reflected in the richness and diversity of his works.

He spent a part of his life creating world-class art in the heart of Hamburg, Germany, leaving an indelible mark with his masterpieces and sculptures. He has held over 200 exhibitions, more than 30 of which were outside Bosnia and Herzegovina. With his universal brand "Birds Speech," which encompasses over 10,000 unique drawings, Mehdija Suljević enters the global market as one of the strongest artistic brands, winning the hearts of collectors and art enthusiasts worldwide.

This artistic phenomenon not only represents Mehdija's personal success but also an opportunity for Bosnia and Herzegovina to showcase itself as an inspirational center of artistic creation and innovation. Mehdija Suljević, with his "Birds Speech," undoubtedly becomes an art icon leaving a deep mark on the world of art and culture.

He lives and works in Sarajevo, continuously creating new artistic solutions with a design character for application in all areas of the global industry.

1. Architecture and Construction - Interior and Exterior:

Mehdija Suljević's graphic concepts of modern design from the global brand "Birds Speech" represent a multidimensional source of inspiration for the interior and exterior design of any space. His drawings are not merely decorations like classic paintings on the wall but true artistic visions that add depth, symbolism, and aesthetics to every project.

In interior design, Mehdiya's drawings are original integrated elements of contemporary design that transform space into a sensory experience. The design is unique and distinctive for all decorative walls, modern partitions, ceilings, and floors in all construction materials, bringing to life every room in homes, modern hotels, and commercial spaces, conveying its unique story that inspires and enriches. Additionally, Mehdiya's artistic designs can be fantastically used for producing the most modern furniture upholstered with canvas in his unique style, engraved furniture details, ceramic elements, wooden kitchen equipment, and ceramic cookware, thus bringing modern art into every corner of the home.

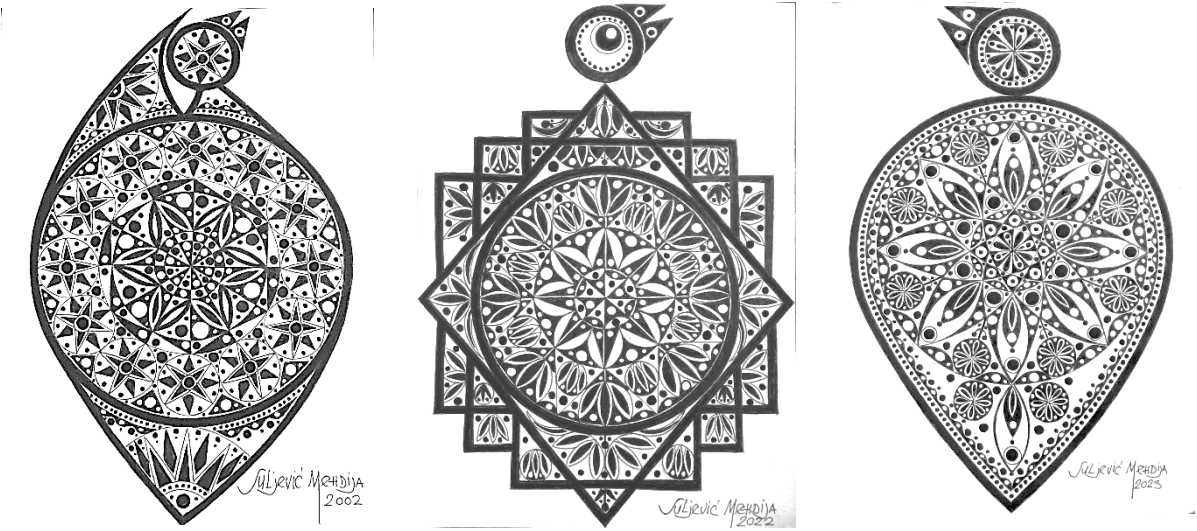

In exterior architectural design, Mehdiya's drawings are applicable as a recognizable and unique modern design that can be applied to all facades, balconies, terraces, gardens, and other outdoor surfaces, turning them into oases of inspiration and elegance. Fountains in glass and marble, glass surfaces and partitions, pools, as well as intelligent lighting that plays with reflections of creations on indoor and outdoor surfaces, create spectacular environments that enchant with their beauty and sophistication.

Each design from Birds Speech Studio not only enriches the aesthetics of the space but also brings spiritual depth and an emotional connection to art. Every detail bears the hallmark of Mehdija's unique artistic style, making each project not only visually impressive but also deeply inspirational and a personal experience.

With over 10,000 works of the most modern and applicable artistic design, "Birds Speech" by Mehdija Suljević is on its way to the best and largest global projects worldwide.

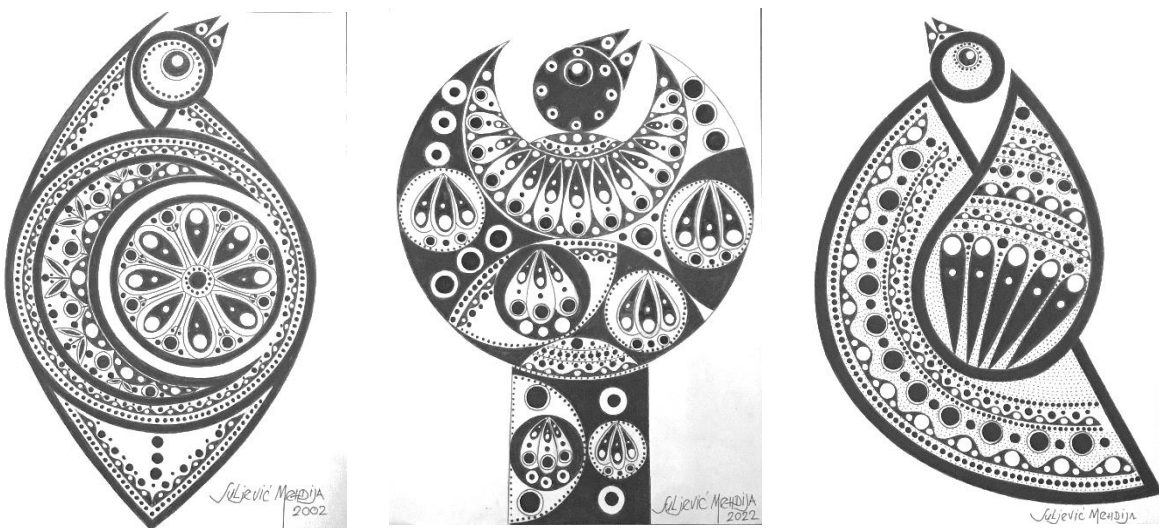

2. Jewelry Design - Unique for World-Renowned Designers:

Mehdija's artistic graphic design represents an endless source of inspiration for world-renowned jewelry designers. Using noble metals such as gold and silver as a base for integrating Mehdija's drawings into jewelry, and also utilizing diamonds and other gemstones to add extra exclusivity to each piece. Utilizing Mehdija's design, jewelry carries deep symbolism and emotional value. Each piece of jewelry becomes not only aesthetically appealing but also spiritually significant.

This blend of art and craftsmanship results in creating jewelry that is not just a piece of ornamentation but a true gem with positive attractive energy. Mehdija's unique works inspire world-renowned designers to create extraordinary pieces that convey a deep story. Every detail bears the hallmark of Mehdija's unique style, making each piece not only visually impressive but also emotionally rich and extremely valuable.

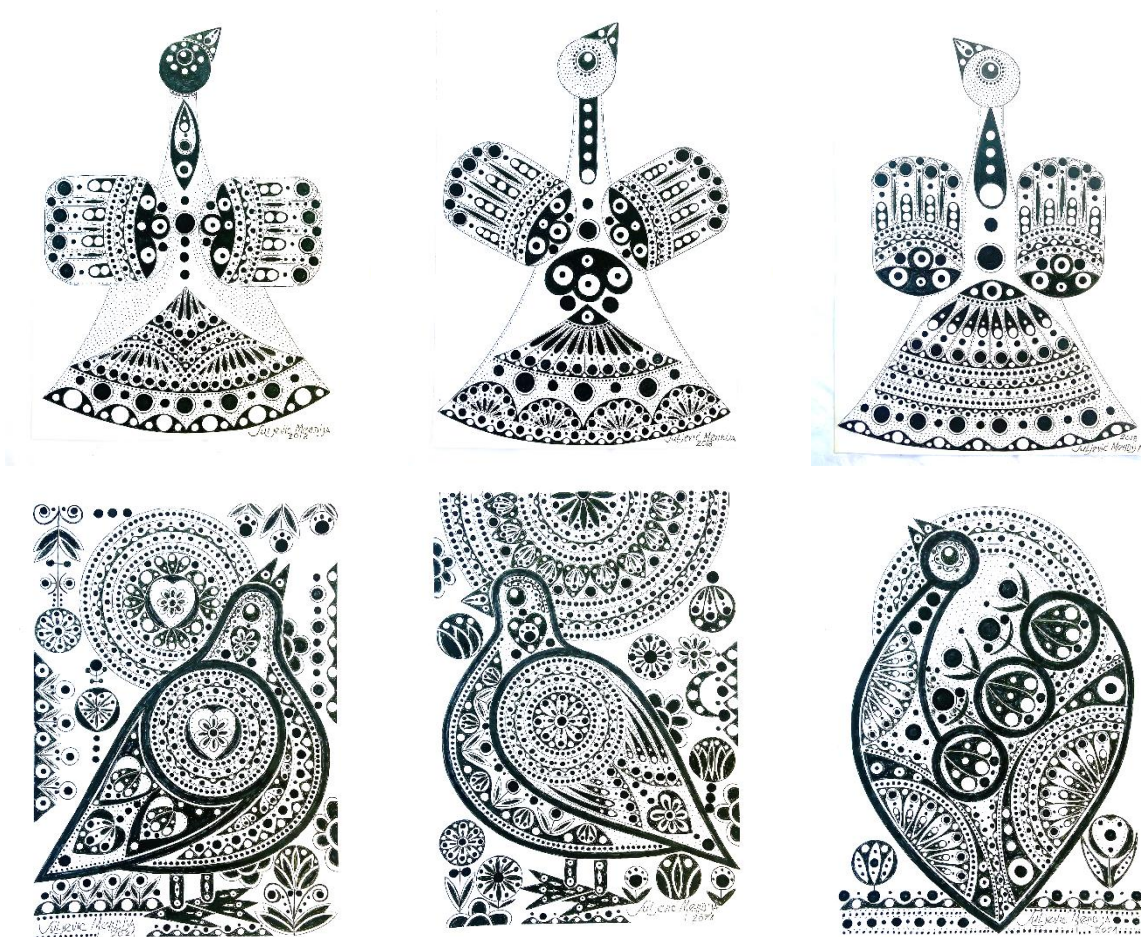

Additionally, Mehdija's artistic graphic solutions provide added value for global goldsmiths and jewelers, who can fantastically utilize his creations within their most valuable unique jewelry pieces. Buyers will recognize the distinctive style and design of the "Birds Speech" brand and will appreciate not only the aesthetics but also the story and spiritual depth conveyed by Mehdija's works.

3. Design in All Materials

We present you with the opportunity to use artistic graphic solutions under our brand "Birds Speech" by Mehdiija Suljević for your companies processing various materials, including wood, ceramics, marble, stone, metal, glass, textile, and plastic. Mehdiija's art represents a source of inspiration that can transform your products and works into true masterpieces. His drawings are deeply symbolic and carry spiritual depth that will add value to your creations.

With your materials and modern processing methods, together we can create something extraordinary. Our collaboration can bring a new dimension to your products, adding aesthetic value and a unique story that will set them apart in the market.

This blend of art and industry will result in products that will amaze your customers and clients. Our works can enrich your products, adding unique beauty and character that will make them unforgettable. For more information and collaboration, please contact us. We look forward to the opportunity to create together.

4. Textile Design:

We are pleased to introduce you to the opportunity to utilize artistic graphic solutions under our brand "Birds Speech" by Mehdiya Suljević for your textile design companies. Mehdiya's art offers you inspirational solutions that can transform textile creations into true unique masterpieces. His drawings carry deep symbolism and aesthetics that will add depth and character to your designs.

Our artistic graphic solutions are ideal for use on furniture canvases as well as furniture design itself, creating unique pieces that will refresh any space. Easy to apply and color, our solutions allow you to quickly and easily turn any type of textile into a work of art and become something refreshing in the global market.

Additionally, they can be used for decorative screens, rugs, and tapestries, adding a touch of elegance and originality to every room in homes, commercial spaces, hotels, and hospitality establishments.

With your materials and our creative ideas, together we can create textile products that will enchant your clients. Our collaboration can bring a new dimension to your collections, making them unique and unforgettable.

We offer you 11 Reasons why our "Birds Speech" design by Mehdiya Suljević is becoming a Hit Brand for all fabric manufacturers worldwide:

1. Our designs stand out for their ease of adaptation to weaving machines, allowing fabric manufacturers to quickly and efficiently implement our patterns into their collections. This flexibility makes our graphic designs the ideal choice for companies aiming for fast production of high-quality fabrics without compromising on aesthetics and originality.
2. Our graphic design solutions are like stories told in unique graphic designs and patterns, turning your fabrics into unforgettable works of art.
3. Through carefully chosen motifs and symbols, our drawings create a deep emotional connection with users, making your textiles not only functional but also inspirational.
4. Every detail of our designs bears the seal of originality and creativity, setting your fabrics apart in the market as true gems among textile products.
5. The combination of traditional and modern elements in our graphic designs allows for the creation of fabrics that will satisfy tastes worldwide, from lovers of the classic to those seeking innovative trends.

6. Our designs are more than just patterns - they are expressions of art that will turn your textiles into platforms for expressing individuality and creating unique spatial stories.
7. From elegant floral motifs to abstract geometric shapes with the basic symbolism of birds, our drawings promise a wide range of possibilities for creating fabrics that will refresh any space.
8. Our passion for details and endless creativity guarantee that your textiles will become a favorite choice among interior designers and fashion creators worldwide.
9. Inspired by nature, culture, and tradition, our drawings create fabrics that carry the story and spirit of the time, making them not only functional but also emotionally significant.
10. Through sophisticated textures and the possibility of additional color application according to the choice of textile designers, our graphic solutions bring an additional dimension to your textiles, making them luxurious and desirable choices for any space.
11. From elegant rugs to luxurious tapestries and the finest furniture canvases, our designs promise to transform your textiles into works of art that will delight and inspire customers worldwide.

For more information on our artistic graphic solutions and collaboration opportunities, please feel free to contact us. We look forward to the opportunity to create something extraordinary together.
